Packing and Shipping

FAQ:

Q1: What's the format of the design you need to print?

A: AI, PDF, PSD or high quality jpg are available.

Q2: The possibility to change the sizes of the tin box.

A: Usually, if the bottom of the regular shape tin box is seamed by edge rolled outward, it's relatively easier to change the height by modifying the mould. But for other dimensions and other cases, to modify the mould will cost more money and time.

Q3: I like the product but want to change the packing, is it possible?

A: Yes, we are specialized in doing the OEM service for our customers.

Q4: Where is your factory?

Our factory is in Zhongshan City, China

Q5: How do you control the quality?

We have a very professional QC dept., To ensure that the quality of the product is fully qualified.
