FAQ :

Q 1: What's your company's role in the supply chain?

- 1) We have our own factory, organizing production, quality inspection, and arranging shipment. If the purchaser needs it, we can also assist in the procurement, transportation, export and other aspects.
- 2) One stop service.

Q 2: What's your company's advantages?

- 1) Professional in tinmill products, such as tinplate, tin free steel, lacquered and printed tinplate.
- 2) Responsible for risk control, quality control and cost control.
- 3) Experienced in steel exporting, can arrange logistics and document properly.
- 4) One step service for tinplate & TFS coil, sheet, lacquered and printed service.
- 5) Reasonable price and on-time delivery.

Q 3: How can we trust your company?

- 1) We specialized in tinmill products for years, you can ask professional questions to see we are in tinplate circle or not.
- 2) We always expect customer to start from trial order to test our performance first.
- 3) We accept independent third party inspection.
